Subject: Integrate RingCentral with the apps you use

Live in your apps

RingCentral offers integrations with today's most popular business applications. Enhance your communications system with vital features like click-to-dial, analytics, call logging, and faxing all from one interface.

Popular integrations

RingCentral for Office 365

Get collaboration tasks done quickly by calling, texting, and scheduling directly from Office 365. [Learn more](#)

RingCentral for Google

Click to call, text, or schedule meetings directly from Chrome. Handle everything in one browser. [Learn more](#)

RingCentral for Salesforce

Call contacts directly from Salesforce. For incoming calls, you'll also see their contact details in a pop up. [Learn more](#)
